

## IMPORTANT REMINDER: THANKSGIVING BREAK RETURN GUIDELINES

As the TD Community prepares for Thanksgiving Break, the TD Health Center would like to provide important reminders for return to campus requirements on **Tuesday, November 30th.**

***COVID-19 testing is required for partially or unvaccinated individuals (regardless of travel status), in order to return to campus on Tuesday, November 30.***

### FULLY VACCINATED INDIVIDUALS

**Do not require testing and may return to campus on Tuesday, November 30.**

\*For a return to campus, a person is considered fully vaccinated if they have completed one dose of the J and J vaccine or two doses of Pfizer or Moderna vaccination series by November 15th.

### PARTIALLY OR UNVACCINATED INDIVIDUALS

**Must undergo PCR or antigen testing and upload a negative test result by Monday, November 29 at 10pm. Testing should be completed within 48-72 hours prior to the return to campus.**

To facilitate testing, **Jollymar Clinic will provide antigen testing on TASIS Dorado's campus from 9:00 AM to 12:00 PM on November 29 in the PAC.** Please note that a doctor's order is required for testing. For your convenience, a doctor will be onsite to provide doctor's orders for \$10.00 an order. Payments must be made in cash. To sign up for testing, please fill the following form: [COVID-19 Antigen Testing](#).

Each participant needs to bring their **insurance card**, as well as to fill out the Demographic Form to their testing appointment. [Please complete and print this Demographic Form.](#)

If a participant has no insurance coverage, payments for testing will be remitted directly to Jollymar Clinic on site. With no insurance coverage, the cost of the antigen test is \$70.00. Accepted payment methods include Cash, ATH Movil, (*laboratoriojollymar*). **For further payment or insurance information, please contact the clinic for payment details at (787) 717-7113.**

DORADO

Once complete, please upload test results here: [TD Health Center](#). As a reminder, individuals may also undergo a PCR or antigen test at a clinic of their choosing. **Home tests will not be accepted as proof of negative COVID-19 status.**

Thank you for your cooperation as we continue to assure the safety of our TD Community.

We wish you a happy and healthy Thanksgiving Break.

Stay Well,

Brett Jaycox  
Health Center Director
